"I'm springing it on you.....winter is almost over!

Looking outside today, the snow is still falling. But, it is melting just as fast! We are looking forward to seeing residents back out on the patio enjoying the music and sunshine!

At Engel Haus we have been collecting feedback from our residents and their families. In December, Vital Research completed a survey of our residents. Our resident and family councils are meeting monthly. We have also completed a focus group with our memory care families. Communication and suggestions are always appreciated as we continue to make Engel Haus a GREAT place to live!

The first few months of 2023 have surely flown by! We are looking forward to warmer weather and getting outside! In February we went to the St. Michael Cinema to see A Man Called Otto. The residents absolutely loved it! On Valentine's Day we had a lovely party with live entertainment by Tom Paquin and served cupid floats. Also on the 28th of February ,we started the Stations Of The Cross that will go through April 4th. It will be every Tuesday at 5:45pm in the Chapel room. On March 1st we had a group from the Wartburg College Worship Band from Waverly, Iowa come out to perform for the residents. They sounded wonderful! The outings scheduled for March and April:

JOKE TIME!

Greetings from the Engel Haus Kitchen,

Who's done with all this snow? The dietary department is looking forward to the springtime, and all the fun things we can serve. Not to mention breaking out the grill.

We will be serving a traditional Easter meal for our lunch meal on Easter Sunday. Please let us know as soon as possible if you will be out of the building with family and would like yours boxed.

I want to take the time to let everyone know how much the dietary department appreciate your patronage and look forward to making your dining experience at Engel Haus one of the brighter moments in your day.

Thank you,

Brian Brantner
