Spring is the time of transition, our chance to see the snow turn into grass and our bare trees become plush, flowers begin to grow and birds chirping in the mornings once again. This spring we are not only notice changes in nature but also a time of transition in roles at Engel Haus but also within Guardian Angels. With Karisa taking on her new role at Corporate and me stepping into her role I want you to rest assure she is only a call away and will help us remain on the same page so we can move forward with little disruption. As we look forward to summer, I look forward to seeing Engel Haus bloom into a new season, embracing change and encouraging us all to look to the future as our community continues to be the best place to live.

I hope to have an opportunity to ensure you all feel comfortable coming to me if you have questions, comments, concerns- or something to share that you really love about living here. Engel Haus is a special- tight knit- community that many strive to replicate. We have a dedicated Leadership team in place, outstanding care staff, culinary and housekeeping staff as well as administrative staff that bend over backwards to help every day.

Let's continue to enjoy Engel Haus, through transitions and times of stability, and lean on one another as we navigate changes and embrace the community we call *home*.

Greeting from the Engel Haus Kitchen,

As summer approaches we are looking forward to our annual cookout family event. Details will be coming very soon.. I just wanted to take this opportunity to inform everyone on our policy of having guests in our dining room. To ensure that there is a spot available for you and your guest, please make a reservation with the front desk, at least an hour before the meal service. We have a four top table specifically for joining guests and residents to use. Larger groups will need to be held in the lion's den. Our meal service time are:

Breakfast 7:30-9:00AM Lunch 11:30-12:30PM Supper 4:30-5:30PM

Thank you,

ST.
PATRICK'S
DAY

It's finally starting to feel like springtime out there! It's so great to see all the residents out enjoying the patio and sunshine. March and April were full of fun activities but we are ready to get outside and go on more outings. Starting in June Ellie from Twin Root Farms will be starting a series of workshops throughout the summer. She will be starting with an intro to who she is and what she does, then we will be making herb porch gardens, flower bouquet making classes, and dried flower projects. We are very excited to bring this experience into our sites. We have lots of fun upcoming outings planned in May and June:

- | | |
|---|--|
| 5/18 Lunch at R Social | 6/14 Dollar Tree |
| 5/22 Walmart | 6/19 Scenic Summer Drive |
| 5/24 Chanhassen Dinner Theater | 6/21 Walmart |
| 5/26 Amore Ice Cream | 6/22 Concert in the Park |
| 5/31 Como Conservatory Summer Flower Show | 6/23 Amore Ice Cream |

| 6/7 Target | 6/29 Albertville Farmers Market |

Remember outings have a limited amount of space so when the new calendars come out make sure to sign up with Shari at the front desk if you see something you want to go on. Keep an eye on our calendars and boards for more fun programs and dates!
